# Raffle

The screenshot shows the GitHub interface for the repository 'golangroma/meetups'. The 'Issues' tab is selected in the repository header. A red box highlights the 'Issues' tab and the repository name. An arrow points from a text box labeled 'Issues' and 'golangroma/meetups' to this red box. Another red box highlights the 'Labels' section on the right sidebar, with an arrow pointing from a text box labeled 'Label' and 'raffle-20220614' to it. The 'raffle-20220614' label is highlighted within the labels list.
